Camp Wayne

With camp a few months away, we are already thinking ahead to our week-long counselor orientation. With that in mind, we would like you to submit a “thumbnail sketch” of your son. This will be invaluable in not only helping us make bunk assignments, but will also provide us with information that will be shared with your son’s counselors at the end of our counselor orientation program. We’d like your take on your son’s personality, interests, likes and dislikes, etc….any information that you feel will help us make the summer at Camp Wayne an wonderful experience for him. Please email the thumbnail sketch to info@campwayne.com or mail to Camp Wayne for Boys, 55 Channel Drive, Port Washington NY 11050-2216. Thank you very much!
