

CAMP WAYNE FOR BOYS – CAMPER PROGRAM GUIDE

Camper's Name _____ Grade _____

Campers and parents should complete this Program Guide by circling the following areas of interest and return it by May 1. This gives our Program Director an idea as to how many campers are interested in specific activities at camp.

Campers will have the opportunity to participate in all of the activities listed below, but if you would like additional instruction in any of these activities, please list the activity in the space provided at the bottom. Let us know why you desire special emphasis; i.e., Tennis – “my favorite sport”; Swimming – “want to improve my freestyle”, etc. If you are interested in private Tennis lessons and/or Golf lessons, please specify and indicate the number of times per week you would like to have those lessons.
