

# Camp Wayne for Boys & Girls

## Alumni Reunion Edition

While hundreds of children are counting the days until the start of the 2015 camp season, hundreds of Alumni have their own countdown going. Yes, that's right, it's finally here...our 95th summer and there's no better way to celebrate than with our camp family. Dare we say the social event of the year?

CW alumni will be returning to Preston Park in droves on September 12th and 13th to reconnect with friends, share stories and soak up all the smells, sounds and sights that are ingrained in our memories from summers past. And what a collection of stories we've all accumulated over the years. Whether they're about Buff and Blue, Chief Mashugana, Creative Service, or that crazy roller coaster on Carnival Day (imagine today's insurance agent watching that in action?), the stories were a big part of what made Wayne the great experience that it was for all of us. For current campers and staff who are lucky enough to call Wayne home for the summer, they're making their own memories that will be shared for years to come.

**To RSVP for the reunion go to:**

**<http://bitly.com/campwayne> (Please note that this weekend is for alumni who are 21 years or older. There are no age restrictions for guests of alumni.)**

In addition to completing your RSVP be sure to share all the details with your camp friends on Facebook, Twitter, Instagram, etc... After all, the more the merrier!

We hope you can join us to celebrate Camp Wayne's 95th summer!

## Father and Daughter Sharing Their Love for Wayne

Dear Noel, Adena, Matt, and Chrissy,

It absolutely breaks my heart to send this email. After 14 incredible summers I am so sorry to say that I am unable to return to Wayne for summer 2015.

I can not put into words how much Camp Wayne has impacted my life. I truly never thought that the time would come when I would have to say goodbye. Wayne has truly molded me as a person and has taught me to be caring and confident.

Throughout my years at Wayne as a camper and a counselor I have discovered my two passions in life, children and camp. I am proud to say that I was just offered a position starting in June that embodies everything that I could ever want for a career (shout out to Chrissy for being a reference). I am working for Paul Newman's the Hole in the Wall Gang Camp. My position is Hospital Outreach Specialist for the New York City hospitals. This means, that year round, I will be bringing the joy of camp into hospitals so that kids who can not physically go to camp can experience it. Every day, I will be taking the love, safety, and fun that I have learned at camp to impact these children's lives.

I hope that the four of you know just how much you each have impacted my life. I truly could not ask for more caring, thoughtful and kind bosses and rolemodels. I will use everything that you each have taught me as I move forward in my life. Wayne will never be far from my heart. I am counting down the days until I can visit this summer. Thank you all for everything and I hope that you know how hard this decision was. I love you all so much and there are not enough words to express my appreciation to how you have shaped my life. Please please take care of the seniors 2015 and give them great counselors (like I know you will!).

Love always,  
Caren Hoffman

Hi Matt- I saw your beautiful note to Caren. I can assure you we both are happy and grieving at the same time. Probably me a little more. Lol Caren has a wonderful opportunity to help kids in oncology wards and bring the camp experience to life. Who better given her experiences with her brother and 14 years at Wayne? Camp Wayne has provided a bond for us that you just can't explain as a father and daughter. What we have learned over the past 50 years has molded both of us and we share these experiences together. It has boiled down to camp is the only place we both truly find peace within ourselves. For me personally, it started on the tennis courts with Noel and has continued to this very day. Caren and I just got off the phone and you can count on us being there on Visiting Day. (A man deserves one day of peace a year!). Thank you for all you have done for Caren and for my family. The kids who are still able to come to camp have no idea what they are in for. You can count on us to be Wayne ambassadors for life! See you this summer. All the best, Jeff Hoffman

## Camp Erin NYC

Happy Spring!

The sun keeps trying to peak out as we are busy planning for summer 2015 at Camp Erin NYC! Meeting families reminds us of the valuable work we are doing and the notes of appreciation from past families confirms the impact the weekend can have on grieving children. As always, sharing this experience with Camp Wayne alumni volunteers makes the weekend even more special.

Please remember to pass on my email [afuchs@copefoundation.org](mailto:afuchs@copefoundation.org) to any family whose child may benefit from the Camp Erin NYC experience.

You may have missed the annual Camp Erin NYC and COPE Sibling Bowling event on April 28th, but there is still time to support these grieving children. Please consider donating directly to <http://www.razoo.com/story/Ann-S-Pin-Heads/share> or mail a check payable to COPE Foundation, Inc (for Camp Erin) P.O. Box 1251, Melville, NY 11747.

Every little bit helps. We are hoping to serve 60 children this summer.

Many thanks.  
Enjoy your moments!

Regards,  
Ann Fuchs
