Living 10 for 2

As the countdown to camp transitions from weeks to days, the excitement for another unbelievable summer in Preston Park continues to grow! Although the toilet paper countdowns of the past have probably been replaced with something a bit more technologically savvy, the basic premise of living "10 for 2" remains unchanged at Camp Wayne.

Summer 2021 certainly saw its fair share of challenges and changes. But despite the amazing success of the season we are looking forward to a bit more "camp as usual" this summer. We can't wait for the triumphant return of Wayne County intercamp sports, camper trips, visiting day and drumroll please...our alumni reunion! If you don't already have your calendars marked, please save the date for September 3-4, 2022. To register, please click [here](#).

Without many visitors at CWB last summer, you may not yet have seen our new Ninja Warrior Course, updated cooking facilities, taken a ride in one of our Polaris UTVs, or caught any of the campers in front of or behind the camera with our video production program (led by CWB alum and MSG Networks Producer Spencer Julien.) For summer 2022, we have broken ground on a new outdoor all-purpose recreation facility with a brand new sport court, new GaGa Ball pits, and lights for nighttime use. Our music program will be expanding to include music production and sound engineering, and we will also be introducing coding and stem options to the program as well. CWB also welcomes the return of a few camp alumni to our staff! Eric Schneider will be running the kitchen, Steven Groothuis is our new Basketball Director, and Andy Winkler is our new Baseball Director!

Across the lake at CWG we continue to be blown away by the number of alumni sending their children to Wayne. Seems like each summer there are more and more. The Visiting Day picture on the amphitheater is going to be pretty crowded! Throughout campus those alumni will notice our newly resurfaced tennis courts complete with new pickle ball courts. We also welcome back Ann Fuchs as our first (and only) Pickleball Director! We have also added a new Ninja Warrior Course on the sports fields and our low ropes course will be the recipient of a new 'ninja styled' makeover this year as well. Other facilities to have recently received make-overs include the MADD Workshop, Health Center and interior of the Rec Hall. We are beyond excited to welcome back to CWG this summer Jess (Steinart) Ross as our new Camp Mom and Alum Spencer Julien as our new Athletic Director.

As always, we are so grateful for the support we continue to receive from our alumni community, and we sincerely hope we will see you in Preston Park in September!

Warmest Regards,

The Corpuel and Brown Families

Alli Bateman

Hello lovely camp fam! I just wanted to share with everyone that I am still living in Copenhagen, Denmark. I have graduated from my design school here and I am working as a Digital Designer at a start-up. But the biggest news is that I was able to marry my amazing partner of 6 years, Mak on the 16th of September! If anyone wants to come to Copenhagen, feel free to get in touch and I will show you around! Love you all, Batman

Camp Erin NYC

Hi Camp Wayne,

We are returning to Camp Wayne after three years to offer our 11th summer of Camp Erin NYC. Fingers crossed as we have missed our home away from home!

We can hope for a sunny spring and a sunnier summer!

What do we need? Campers! Spread the word, talk us up. We have a lot to offer grieving children - Unlimited support, a variety of coping strategies, lots of laughs, many listening ears, and an abundance of warm hearts!

Camp Dates: August 26- 28, 2022. COPE partners with Eluna to offer Camp Erin NYC, a free, weekend-long grief support camp designed to help children and teenagers ages 7 – 17, who have experienced the death of a parent, sibling or someone close to them.

If you know of any family who could benefit from a weekend of hope and healing as they grieve for a loved one, please forward my information:
