Fall 2019

1,2,3,4 we want....

Your Color War days may be over but we hope you're as excited as we are about our **100-year celebration at camp (Sept 12-13 2020)**. Mark your calendars, tell your friends and stay tuned for more information including how to RSVP.

99 Years and Counting

We hope summer 2019 was a great one for you and your family. With an amazing group of campers and staff, lots of love from Mother Nature and enough highlights to last a lifetime, our 99th summer at Wayne was a memorable one for everyone at camp. A dedicated and talented group of key/senior staff continues to play a huge part in the success of our summers.

At CWB, we were excited to welcome back Austin Butler as a Head Counselor. Austin was a camper and counselor for 14 summers and headed up the sports program at CWG for 5 summers. Summer 2020 will be his 20th year at Wayne.

Preparations for 2020 are well underway. At CWB, we're adding bleachers and a scoreboard to the lacrosse field. With seating for the entire camp, this will be a great place for everyone to watch a game or special event together. With a full interior update of the Field House complete (new floor, backboards, wall padding), our focus now moves to the outside, which will be getting a full exterior renovation. An expanded and updated cooking facility is also in the plans for the fall. We know our boys like to eat.

Over on the Girls' side, we were thrilled to have a record number of CIT's (27) and also set a record with 21 former campers as counselors from the same age group with many of them planning to return in 2020.

As time marches on we have made many physical changes that are both necessary and beneficial but we're proud to say that even after all these years, 'camp is still camp'. Old traditions like Creative Service, Sounds of Wayne and Buff and Blue battling it out in Color War have not changed. 2019's additions of a Garden Cafe, the MADD renovation, new docks at the waterfront and new visual and sound equipment for the Rec Hall were fantastic additions that will serve camp well for years and years. As we look to 2020 we are excited for our tennis facility to receive a fresh look with all courts to be resurfaced and painted. Our Dance Dome will also receive some TLC with structural fixes, new paint and an updated sound system for our incredible dancers. Many other smaller improvements are under way such as new spin bikes, new Nook bathrooms and much, much more.

Camp Wayne for Boys and Girls is proud to be celebrating 100 years in camping this summer and we couldn't be more excited to celebrate it with our Alumni at the 100th Anniversary Reunion. We hope reading this brings back nothing but warm memories from your time at Wayne and we hope to see you at the reunion in September. We hope you and your family have a great holiday season.

COPE/Camp Erin 2019

Hi Everyone,

Happy Fall!

A big thank you to Camp Wayne for once again hosting our Camp Erin NYC families. Our eighth summer was a huge success hosting 58 campers and 24 adults. The parents and guardians can't begin to help their children unless they help themselves. Our parent retreat offers them the chance to breathe, grieve, heal, meet others on the same journey and share a similar experience as their children. The weekend provides an opportunity for hope and offers tools that families can use to communicate more openly with each other.

The fear is plastered on everyone's face on Friday as people arrive. It softens as the weekend goes on, and warms our hearts to see the smiles on Sunday.

Together we are stronger.

With gratitude,

Ann Fuchs
